Why can't I find my friend's clan in the search? Cross-platforming is not currently supported in the game, so you can only play with friends from your Facebook list. Because even in Dragon Mania Legends you have to build a fantasy city, fight Monsters and make yourself powerful. To make your city powerful, you have to increase the number of dragons in your team in the game. For that you will have to hatch eggs and breed them. If you take care of your pets and feed them, then you can also win extra Gold. With the help of Golds and Coins, you can make purchases in the game, then you can make a Legendry island for yourself, you can build high buildings and decorate them according to your own needs. You need to defeat the holder of those mines to conquer it. As long as you hold a mine, you will earn Gold. In order to move a building, just tap on it once, then tap again and hold for a few seconds. When the arrows around the building turn green, you can move it to another location by dragging it with your finger. Please note that the energy you receive from friends is actually credited to you, but you can only see it after you have used up all the portal energy in battles. You gain experience for completing the rear, won battles, improving the island and collecting provisions. How to use Dragon Wrath? To complete the Dragon Wrath scale, complete perfect hits. After it is filled, click the icon with the Dragon Anger and swipe your finger across the screen. You can also fill the scale for diamonds. How to restore the Dragon Academy? Save Hogwin from the evil Viking! He will help you build the Dragon Academy.

Generally there is one rabbit to be collected per number of the level (one rabbit in level 1, two rabbits in level 2, etc.). The location of each rabbit is generally included in the Event's page indicated by arrows. A hidden Halloween badge can be found in some Halloween events.

The badge can be obtained by finding and tapping each of the ghosts included in each level.

Dragons with higher levels, stronger skills and Enchantment have the advantage in the Enchanted Arena. It isn't always possible for a Trainer to win every Enchantment battle in the Enchantment League, and battles won reward previous Enchantment Materials that can be used to Enchant Dragons to increase their strength. Enchantment Materials are also required to upgrade some Habitats past level 6 to afford the Trainer more space to house additional Dragons. While it isn't possible to win all battles, it is possible to win enough battles to use all of a Trainer's Enchantment Keys each time the Enchantment League is played. What happens when I leave the clan? All dragons belong to the clan. If you exit the clan, all your progress in the clan will be lost. I do not get coins for completing clan assignments. I don't know why but I love it! I'm more addicted to it than MINECRAFT. I just ignore my parents to play it.
